

# Route 169

## Night Road Closure

### Thursday, January 7

### 10 PM to 2 AM

Route 169 will be closed at Mawah Creek Bridge (Post Mile 25.0), approximately 9 miles downriver from Weitchpec, on the night of Thursday, January 7 from 10:00 PM to 2:00 AM.

During this closure, a temporary detour will be installed to facilitate the replacement of the Mawah Creek Bridge. Caltrans is closing the road to perform this vital work at night to minimize impacts to the traveling public. Measures will be taken to allow for emergency vehicle access during this closure.

Caltrans appreciates the public's patience and is working to minimize impacts to the public. For questions about this closure, please call Caltrans Resident Engineer Charlie Hayler at 707-502-7943 or Caltrans Area Construction Engineer Gary Johnson at 530-949-1293.

**If weather prevents work on the night of Thursday, January 7, work will be rescheduled to the night of Monday, January 11.**
